

Safe Cord™ Floor Strip

Safe Cord™ is a durable, disposable safety strip designed to cover cables and cords on operating room floors, thereby reducing the risk of tripping hazards and staff injuries.

- Adhesive strips on the underside secure Safe Cord to the floor, with no residue left behind
- Bright yellow for added staff safety
- Product can be safely walked on or rolled over by equipment without compromising function
- Simple set-up, removal and disposal
- Not made with natural rubber latex
